Subject: VB/I-70 Stakeholder List
Attachments: VBI-70 Stakeholder Contact List 031119.xlsx

Hiya. Attached is the latest, greatest updated stakeholder list for VB/I-70. This includes CAG members plus all RNO contacts in the area neighborhoods plus other organizations that the city recommended be included in our outreach based on their activity in the neighborhoods. It also includes individuals who have contacted me or attended previous meetings in the past few years, as well as local businesses, elected officials, etc....

FYI,
-jc
